- #29589D 41.9%
- #8EEADC 25.4%
- #600A4A 21.1%
- #28E375 8.5%
- #AA6F37 3.1%

## RGB Histogram

## Description

[Pixel statistics] This 640x480 unknown image is mid-toned and sharp, with strong contrast and rich colour (colourfulness 114.7). Dominant colours: #29589D (41.9%), #8EEADC (25.4%), #600A4A (21.1%). Overall quality score is 96.7/100 (Excellent). Note: this description is computed from pixel statistics; use AI vision for a content description.

## Quality Findings

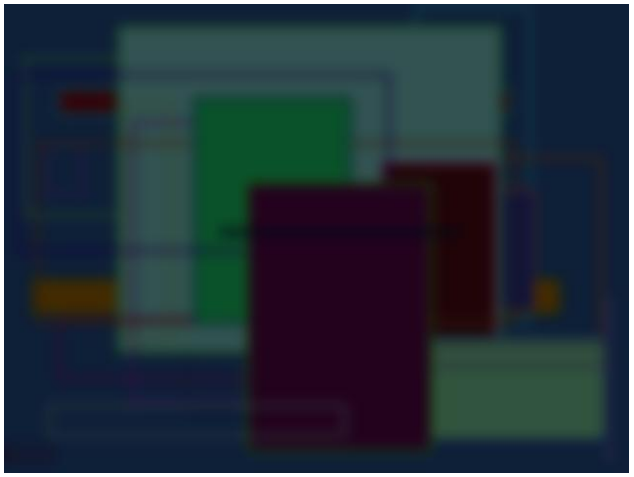

- Exposure is balanced (brightness 0.44).
- Contrast is healthy (std 62.4).
- Sharp detail (Laplacian variance 909).
